

DID YOU KNOW?

Thousands of mosquitoes can emerge from standing water in a rain barrel?

SAFETY TIPS

COVER the barrel

EMPTY regularly

MOSQUITO AWARENESS

ELIMINATE standing water in and around your home.

KEEP mosquitoes out of your home.

PREVENT mosquito bites by using repellents.

Have you noticed an unusual number of mosquitoes lately?

Or

Have you been bitten during the day?

If so, please contact the City of Long Beach Department of Health & Human Services Environmental Health Vector Program at:

562-570-4132
